

## ESTABLISH CAMP FOR MILITARY TRAINING

Chicago Capitalists Acquire Large Tract in Michigan for the Purpose.

### CALL IT CAMP ROOSEVELT

Something On the Idea of Plattsburg Runs Eight Weeks of Each Year.

MUSKOGEE, Mich., April 20.—The establishment by Chicago men of a big civilian military and physical training camp near here is said to be part of a plan for a national system of encampments similar to the Plattsburg training school. It is proposed to establish such camps in the east, west and south.

Land for the Muskogee camp site has been leased for 19 years, it is said.

The camp will open early in July and continue through the autumn, lasting 1000 men with as many as 1000 training at one time. Courses of two weeks are suggested. Men are to be trained as officers or instructors at similar camps, will be permitted to spend the entire eight weeks here. The camp will receive young men from the central west states.

All equipment and uniforms will be furnished by the government, but temporary financing is undertaken by the Chicago men because Congress has made no provision. The entire plan, however, will be laid before the 66th congress.

Approximately 450 acres of land overlooking Lake Michigan at Lake Harbor, a summer resort, has been acquired by the Chicago men. The golf course will be turned into a cantonment site and drill grounds, and the summer cottages will be used for officers' quarters. Student soldiers will be housed in canvas.

Capit. F. L. Beale, stationed at Chicago, is to assume supervision of training here this year. Associated in establishing the camp are said to be Jacob Leach, president of the Chicago board of education; Julius Rosenwald, president of Sears-Roebuck & Co.; James A. Patton, the grain dealer; William W. Wright, manufacturer, and other prominent men.

Construction of buildings is to start immediately. They will include kitchen, mess hall, auditorium and warehouses for the quartermaster's and ordnance departments. The Y. M. C. A. and Knights of Columbus may establish huts at Lake Harbor.

The cantonment, probably to be known as Camp Roosevelt, is designed as the central or parent camp and from it will be largely drawn the instructors needed in other institutions. The chief object of the plan is to interest young men of the nation in benefits of military training. It is said.

### FRUIT GROWERS MERGER FORMED AT LOS ANGELES

LOS ANGELES, April 20.—A citrus grove and apple orchard merger to be known as the American Fruit Growers, Inc., said by its sponsors to involve property worth \$100,000,000 in the United States and \$20,000,000 in California alone, was announced here today by J. S. Crutchfield of Pittsburgh, Pa. Mr. Crutchfield is president of the Cantaloupe Shippers association, active in the northwest fruit exchange and said to be the largest individual grower of apples in the United States.

The plan, Mr. Crutchfield said, is to merge citrus interests of California and Florida and apple interests of various sections to remove the hazards associated with the losses of any given district in any year, by pooling the profits of the entire territory covered by the merger.

**Church Leader Dies.**  
KANSAS CITY, April 20.—Herman C. Smith, historian of the reorganized Latter Day Saints church, died at a suburban hospital here yesterday. It became known today he was 86 years old. When the reorganized Latter Day Saints church was established 25 years ago he was elected historian. He had served continuously since that time. His widow, a granddaughter of Joseph Smith, founder of the Mormon church, survives. Burial will be at his home in Lamoni, Iowa.

**Louisville Has Fire Loss.**  
LOUISVILLE, Ky., April 20.—Fire yesterday destroyed the plant here of the Louisville Cottonseed Oil company, entailing an estimated loss of \$250,000. More than 200 bales of government owned cotton lint valued at approximately \$200,000 were destroyed by the fire which broke out in the plant yesterday which firemen had left believing it extinguished.

### HARD ON SHOES? THEN READ THIS

"I marched through the mud of Flanders, through a large part of the Lorraine sector, and lastly from Chateau Thierry to Fismes, and my shoes with Neolin Soles are still in good condition. For five months I alternated these shoes with two other pairs, which are now worn out, but the Neolin Soles look as if they had another five good months of wear left in them." Written by Lieut. Edgarly Austin, American Expeditionary Forces, France—October 17th, 1918.

This is exceptional service, all army men will agree. Civilians rarely cover their shoes usage such as this, but if they are hard on shoes, and want to cut their shoe bills down, let them try Neolin soled shoes. These shoes are obtainable at most shoe stores in many good styles for men, women and children.

Or have your old shoes re-bottomed with Neolin Soles. You will find these scientifically made soles are comfortable and waterproof, as well as long-wearing. They are made by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

**Neolin Soles**

## Southern Beauty in Capital Society

Miss Elizabeth Lea.

Miss Elizabeth Lea of Nashville, Tenn., is spending the spring season in Washington. Miss Lea is a sister of Col. Luke Lea, commanding the 14th field artillery. It was reported recently that Colonel Lea made an effort to capture the former Kaiser from his castle at Ammergau, Holland. Colonel Lea was formerly United States senator from Tennessee.

### State Society

#### CLAREMORE

Mrs. W. H. Coon of Republic, Mo., and Mrs. G. S. Smalley of Springfield, Mo., left Thursday for their homes after a three weeks' visit in the city at the home of Mrs. Emma Cook.

Mrs. Harry Kates went to Tulsa Friday for a visit with her sister, Mrs. V. Guy Kershner and family.

Mrs. Frank Reed entertained the Wednesday Evening Auction Bridge club last week.

Mrs. T. M. Hunter and Mrs. W. S. Johnson gave a luncheon for the officers of the Baptist Women's society Thursday at the home of Mrs. Hunter.

Mrs. Tillie Hutchins and daughter, Geraldine, returned from a few weeks' visit in Nowata and Watoga with relatives.

Mr. and Mrs. Jim Collins, Mrs. J. M. Scott and Mr. and Mrs. Harry Kates were weekend guests of Mr. and Mrs. E. L. Marble of Tulsa.

Mrs. H. H. Marble of Tulsa spent the weekend in the city with old friends.

Mrs. H. G. Ballard left Sunday for a visit with friends at McAlester.

Mrs. E. L. Starr spent the weekend in Tulsa visiting with friends.

Mr. and Mrs. Wallace attended the Galli-Curi concert at Tulsa Monday night.

Mrs. R. O. Luckey returned to her home in Muskogee Monday after a visit with friends in the city.

A quiet wedding took place at the home of Rev. and Mrs. T. H. Hunter.

### WHAT THE PEERLESS "TWO POWER RANGE" REALLY MEANS.

In this day of slogans and particularly the slogan adopted by automobile manufacturers, the buyer is sometimes at a loss to differentiate between just a slogan, which may mean nothing to him, and a statement of fact that actually is pertinent to the car to which it refers, and to the mechanical construction.

The Peerless car has what is termed a "two power range"—divided into two classifications—the "loading range" and the "sporting range." This is not a trade slogan but is a description of the car's flexibility.

A large part of the driving of a pleasure car can be properly termed "utility driving"—he drives about the city streets, where his speed is limited both by traffic congestion and his sense of care, both for himself and other, and the speed law of his municipality—he makes short drives into the country, that are, mayhap, limited by business necessities or short pleasure runs late in the day that time precludes "distance driving." For the requirements of "utility driving" the "loading range" really means all the power and "get-up-and-go" that the 80 horse-power plant under your Peerless hood can give.

It is attained by especially constructed poppet valves, extra large and a general motor and chassis construction that will permit of their use. In distance driving there is a certain joy, as well as an offsetting the genuine necessity of getting there in the least possible time. In leveling the hills—in always finding that "last ounce" of power still waiting for you when in company. The "two power range" is a virtue but is a virtue of contrasts, both actually necessary to comfort in driving and actually necessary to economy for the "loading range" consumes a remarkably small amount of fuel and with the gradations of moderate speed sufficient for every requirement of city driving or "utility driving."

The Charles-Looking Auto company now in Tulsa's streets it would appear that in the coming months a steady number of Oklahomans will know that the "Two Power Range" means more to them than a mere slogan.

## TIGERT TO BALANCE CITY WELFARE WORK

North Side Young People Lack Advantages Afforded Other Parts of Tulsa.

No social welfare organization has a home on the north side, while many of the activities of these organizations are a great work in the city. It is recognized by those most concerned that some place is needed that will be the home of these organizations. It is the purpose of the new Tigert Memorial Community center to fill such a need.

The Y. M. C. A. and the Y. W. C. A. have both reached a helping hand to the districts on the north side, where hundreds of boys and girls and children in the periods that are to determine their futures are being just such aid, but because of inaction it is impossible for them to reach the number that might be reached if a real community center with the features that appeal to youth were erected.

"If you would save the youth of the land they must be kept busy," says an eminent authority on adolescent morals. And the personnel of the new Tigert Memorial Community center will have every form of amusement from the swimming pool to a gymnasium where athletic sportsmanship will be instilled into them.

The value of such an innovation is unmeasurable.

ter of the Baptist church Monday morning when Mr. George Henley of Longmont, Cal., and Miss Cecil Steeler were married by Reverend Hunter. Mrs. E. H. Hulse and Miss Olive Theeson were present. They will make their home in Colorado.

Mrs. William Conway and daughter of Caney, Kan., are visiting relatives and friends in the city.

Mrs. Paul Krys spent Sunday in Chelsea with her parents and friends.

Misses Mazelle and Lucile Pollard spent the weekend in Chelsea, guests of Mrs. Nell Painter.

Mrs. Will Strother of Nowata spent a few hours in the city Monday en route to Tulsa for a visit.

Mrs. Frank Browning spent the weekend in Tulsa with her husband and family. Mrs. Gladys Zinn returned Wednesday from a visit with friends at Wann.

Mr. and Mrs. Glenn Berryhill gave farewell reception and dance at Flippin hall Friday evening, which was a most enjoyable affair.

The Women's society of the Baptist church held a meeting at the home of Mrs. M. M. Bayless Thursday afternoon. Mrs. H. H. Denton of Muskogee was present and gave a very interesting talk. Solos by Mrs. S. W. Johnson and Miss Olive Theeson were enjoyed. Refreshments were served by the hostess.

Mrs. G. D. Davis was hostess to the members of the Kappa Delta club last Monday in a very interesting session. The following ladies gave instructive readings on various subjects: Mrs. J. Q. Adams, Mrs. Guy Bayless, Mrs. J. W. Moore, Mrs. George Hale, Mrs. W. C. Hays, Mrs. E. W. Martin, Mrs. C. H. Holtzendorf, Mrs. A. N. Lerskov.

Mr. and Mrs. J. C. Dickerson returned to the city Monday from Kansas City, Mo., where they were married April 10, en route to their home in India.

Those in attendance at the Galli-Curi concert at Tulsa Monday night.

Mr. and Mrs. J. W. Ruse of Fort Dodge, Kan., are guests in the city.

Mrs. R. O. Luckey returned to her home in Muskogee Monday after a visit with friends in the city.

A quiet wedding took place at the home of Rev. and Mrs. T. H. Hunter.

Mr. and Mrs. Wallace attended the Galli-Curi concert at Tulsa Monday night.

Mrs. R. O. Luckey returned to her home in Muskogee Monday after a visit with friends in the city.

A quiet wedding took place at the home of Rev. and Mrs. T. H. Hunter.

Mr. and Mrs. Wallace attended the Galli-Curi concert at Tulsa Monday night.

Mrs. R. O. Luckey returned to her home in Muskogee Monday after a visit with friends in the city.

A quiet wedding took place at the home of Rev. and Mrs. T. H. Hunter.

Mr. and Mrs. Wallace attended the Galli-Curi concert at Tulsa Monday night.

Mrs. R. O. Luckey returned to her home in Muskogee Monday after a visit with friends in the city.

A quiet wedding took place at the home of Rev. and Mrs. T. H. Hunter.

Mr. and Mrs. Wallace attended the Galli-Curi concert at Tulsa Monday night.

Mrs. R. O. Luckey returned to her home in Muskogee Monday after a visit with friends in the city.

A quiet wedding took place at the home of Rev. and Mrs. T. H. Hunter.

Mr. and Mrs. Wallace attended the Galli-Curi concert at Tulsa Monday night.

## Studebaker

### The New BIG-SIX

Standard Equipment includes Cord Tires, Shock Absorbers and Silver Faceted Jewel Clock.

Note the harmonious design of body, fenders, radiator, lamps, and general outline of this New Seven-Passenger Six! See how gracefully the curves of each are blended. Few indeed are the cars which match it in appearance, or in which the modern bevel-edge body (originated by Studebaker) has been so perfectly developed. Its power-resources are marvelous. Its "touring range" is ample for ordinary driving; its "emergency range" gives express train speed and power. Yet this is really an economical car to run. Even its economy is notable.

The thorough satisfaction of this car is evidenced by the thousands of letters from enthusiastic owners. Its finish, equipment and appointments are of the highest quality.
